Who is AAC

The Artisans' Association of Cambodia (AAC) is a Fair Trade Association that supports over 40 handicraft groups across Cambodia who are very often working with some of the nation's most vulnerable people, including landmine victims, those living with HIV/AIDS, and minority tribes people. AAC is committed to helping these social enterprises develop their range of products - whether handicrafts, fashion accessories or homeware items - and ensure that buyers have the opportunity to purchase these unique items. **We are determined to see the benefits of fair trade, passed down to the people behind the products.**

We offer our members

- ✓ **Networking:** Connect our members to share ideas and cooperate on products and exhibitions.

We offer to buyers

- ✓ **Negotiation:** We negotiate with our members on behalf of buyers, ensuring that both parties are happy with final prices and delivery dates.
- ✓ **Consolidation:** We consolidate orders for products for AAC members as well as other non-AAC organizations into one single shipment.
- ✓ **Quality control:** We provide an extra level of quality control before products are shipped to buyers.

- ✓ **Payment:** Buyers avoid the hassle and cost of paying multiple handicraft groups for their orders by making a single payment to AAC instead.
